

Annual Meeting, Election and Bridge – May 1, 2008

THIS YEAR'S ANNUAL MEETING, awards night and elections for the Board is being held May 1, 2008. We'll gather starting at 5:30 p.m. at the Beth El Hebrew Congregation, 3830 Seminary Road, Alexandria, Virginia, 22304. The evening will start with a dinner, which is free for NVBA members (\$7.00 for non-members). Voting will take place during the meal, which will be followed at 6:30 p.m. by the Annual Meeting. Following the Treasurer's report and a "State of the Unit" report by the President, new Life Masters will be recognized, and the NVBA President will present the Mini-McKenney and Ace of Clubs awards in each category, as well as the trophies for NVBA Man and Woman of the Year, the Rush Buckley award, the NVBA Rookie of the Year, and the fifth annual Dave Murray award.

After the annual meeting ends, circa 7:30 p.m., the eleventh annual Pat Eyman Strawberry Pairs will be held. It will be a Strataflighted Unit Championship Charity game. Flight A/X (3000+/0-3000) will be a separate game from the Flight B/C (500/2000) game. We will also run a 0-199er game, and a separate 0-5 game if enough players come who fall in that category. The fee for the charity game is \$9.00 for the A/X and B/C games and \$8.00 for the 199er game. New Life Masters and players with 0-5 MPs play for free. The offices of Vice President and Treasurer, and two Executive Director positions are up for elec-

President's Message

By Leo Cardillo

THE WILLIAM POISSANT Memorial Sectional Tournament was held February 21-24 at the Elks Lodge on Rt. 50, and the attendance of 460.5 tables set a record, exceeding that of the February 2007 Poissant Sectional by a few tables! This new record was achieved despite an icy rain and winter weather watch on Thursday and Friday. Attendance at the Saturday afternoon session, the start of the two-session Poissant Trophy pairs competition, was another record, with 80 full tables in play – every table in the house, and the highest total for a single session in many, many years. We hope everyone had a good time and look forward to seeing you at the

April Sectional at the Elks Lodge.

Other tournament news: With regard to the Poissant, I want to offer congratulations to Gil Cohen and Marty Nelson for their excellent card-playing, which secured their names on the prestigious Poissant Trophy as the winners of the event for 2008. Another wonderful feature of this Sectional was the roast of our own Jeff Roman, deftly performed by Rusty Krauss, Jeff's brother, Matt, and supporting cast, honoring the accumulation of 10,000 master points by Jeff. These were indeed four days in February to remember. But don't worry, if you missed this Poissant extravaganza, Tournament Chair Margot Hennings has secured a contract to hold Sectionals at the Elks Lodge through 2009 at the same terms that we enjoy today. Life is good!

The NVBA Annual Meeting will occur on May 1, 2008 at Beth El Hebrew Congregation. Each Annual Meeting includes the election of Board members. This year the positions of Vice-President, Treasurer and two Executive Directors are up for election. There is information on this year's candidates elsewhere in the Newsletter, but I want to say a few words of appreciation for those who are leaving the Board. Director Carole Grob has completed two years of service and has helped with many activities, in addition to graciously arranging for the Board to hold some of its meetings at the Springfield Golf & Country Club where Carole and her husband Ron are members. Carole, along with Ron Kral, was a pioneering force in securing duplicating machines for the NVBA and for her own club, which has been a great help in speeding up the start of play of the Unit Game. During Director Ed Brawn's time on the Board, he has been a principal in handling the Club Liaison duties. In addition, Carole and Treasurer Dale Dallaire are serving as the Co-Chairs of this year's 4th of July Regional to be held at Reston Town Center on June 30 – July 6, 2008. Dale has agreed to run for another term as Treasurer.

NVBA Vice President Margot Hennings has decided to take a break after over 19 years on the Board, but continues to serve as Tournament Chair of the Sectionals. She also is undertaking the mammoth task of serving as the Chair of the 2009 Summer NABC to be held in Washington, DC on July 23 - August 2, 2009. Margot's long record of excellent service on the NVBA Board and to bridge in this area is just that – an outstanding record and one that is likely to stand for a very long time. Thanks, Margot!

President's Message continued from page 2

Another important aspect of the Annual meeting, in addition to all the various awards that will be presented, including my own favorite award, the Dave Murray award, is the financial report from the Treasurer. As you know, the NVBA Board has been actively trimming expenses and has also increased the playing fee at the Unit Game. With growing attendance at the Unit Game and the Sectionals, the odds are good that the bottom line will be in the black, but we are not there yet. I look forward to working with Dale and the Board on assuring the financial soundness of the NVBA.

Another important future date to mark on your calendar is the Annual LM/NLM game which will be held on May 15 at Beth El. All LM and Non-LM participants play for free. I urge all Life Masters to dedicate this one night of the year to support the developing bridge players of the Unit. The continued growth of the 199er Game and that of all non-Life Masters is critical to the survival of the great game of bridge. Be There!!

Speaking of the future, I want to strongly encourage your support for bridge youth programs in our local schools and in tournaments being held just for youth. The youth bridge movement is a strategic component of the future of bridge. In addition to the excellent work being done at Thomas Jefferson (TJ) High School by Suzanne Abrams, Nancy Cartwright and Bob Kerchner, and at Garfield Elementary School by Suzanne Abrams, Patty Tucker of District 7 is Chairing the first Youth NABC to be held in Atlanta July 3-6, 2008; the second one will be held at the Washington, DC Summer NABC in 2009. Suzanne is looking for additional volunteers to support the Garfield "graduates" as they move up to Francis Scott Key Junior High School. I also know that we could use other volunteers at various school locations. I served as Bridge Advisor for TJ's Bridge Club from September 2001 through June 2007, and I still fill in where I can. You will enjoy every moment that you spend with these fine young players and it will keep you young, to boot! It might even sharpen your game...

See you at the tables!

Please plan to attend.

The Candidates for NVBA Officers and Executive Director positions are:

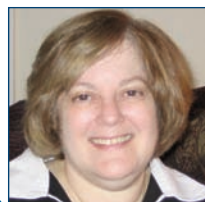

Candidate for Vice President

Alan Breed

Why do I desire to run for election as Vice President of the Board of Directors of the ACBL Unit #218? My primary reason is so I may better contribute to our efforts to keep duplicate bridge flourishing and growing in this area. Our unit's two biggest challenges are bringing into the world of duplicate bridge new players and remain financially sound.

With the aging of our current population of bridge players we will continue to dwindle in numbers unless we attract new players. At the same time dwindling numbers of members and less attendance at our unit and sectional games make it more difficult to stay financially sound.

I believe that with my experience as a player and more importantly as an owner, operator and director of one of the largest games in the area, I can help in finding solutions to the problems the unit faces today. Over the past 6 years we have built up our game from about 19 or 20 tables to over 30 tables. Two years ago we started a 299er game to attract new players and have increased the number of tables from 4-5 to 10-12. My leadership, management and problem solving skills that I honed during my 34 year career in the Coast Guard and 7 years as the Chief Operating Officer of a large not for profit organization should be useful in fulfilling my responsibilities if I am elected to serve as Vice President of the Board of Directors of Unit #218.

Candidate for Treasurer

Dale Dallaire

Hard to believe it's been four years since my husband and I moved from Michigan to Virginia. It wasn't long after I arrived that I began serving on the NVBA Board as a replacement for the previously elected Treasurer. I have been on the Board in this capacity for almost four years

and would welcome the opportunity to continue serving in this position. I have also helped out as Partnership Chair at Sectionals, am Co-Chair of the MABC Regional being held in Reston this July, and am running an Open bridge game and a 0-299er game in Falls Church on Friday mornings. As you can see, I believe bridge is more than a game and I like to be very involved.

Candidate for Executive Director

Jim Dick

Education: College of William and Mary, BA Government 1977

Personal Information: I have lived in the Washington DC area for my entire life. I have been playing bridge in the various clubs in the area since the 1970's. I am currently running the Sunday Afternoon Bridge game at the JCC on Little River Turnpike. I became a certified club director this past year and am looking to expand my involvement in the bridge community. I want to try to give something back to this game we all enjoy and look to working on the Board as a logical way to accomplish this.

I have published a website about my bridge club. I would invite everyone to visit the site and enjoy the weekly challenge.

My best bridge experience: Meeting my wife at the Boston Nationals!

Candidate for Executive Director

Jennifer Nisenoff

I moved to Northern Virginia last year and I am enjoying meeting people and playing in various bridge events in the area. I also have the opportunity to travel for business and occasionally I get to play bridge in clubs and tournaments in different areas. I'm usually so impressed by how welcoming the bridge community can be to visitors and I know how much work goes on behind the scenes to make these events successful. My goal by joining the board is to try to ensure that this tradition continues. People play bridge for many reasons—for the competition, for the joy of improving their skill, for the social aspect, and because it can be so much fun. All are important and all should be respected. Let's work together to ensure bridge continues to be vibrant in Northern Virginia!

LM/NLM GAME - MAY 15, 2008

It's that time of year again... Mark your calendar—May 15 is the annual NVBA Life Master/Non-Life Master (LM/NLM) game. This is two weeks after the Annual Meeting on May 1 at Beth El Hebrew Congregation. **Again this year, everyone who participates in this event plays for free.**

Last year was a huge success with over 40 tables. The pre-matching went so well we're going to do that again this year. As much as possible, Ron Kral is going to match people up in advance so you know who your partner is before you arrive and can discuss bidding conventions and style. In the spirit of the LM/NLM game, we'd prefer that everyone go through the matchup process and play with someone new. However, if you wish to BYOP (Bring Your Own Partner) it's OK as long as one member is an LM and the other partner is a NLM.

WE NEED BOTH LMs AND NLMs to come out for this. This is a fun event where you get to meet some new people in the "other" game. We'll have signup sheets at the Annual Meeting so we can get an idea of how many people plan to participate. It's especially important for LMs to sign up to ensure we have someone for every NLM who wants to play.

Questions or want to register? Send an email to Newsletter@NVBA.org or RonKral@gmail.com or call Ron Kral at (703) 478-0077.

Do You Want to Declare or Defend?

*David Rodney,
NVBA Roving Correspondent*

In January this year I played in the Williamsburg Regional where I had a good time, though not much success. I was playing IMPs all the time, and a consistent theme was most people bidding very aggressively, resulting in lots of tough bidding decisions. Is there a strategy for how to bid in these situations?

The decision to bid aggressively needs to take into account not only the likelihood of being in a good contract, but also the ability/likelihood of the opponents to defend accurately. Here are a couple of hands:

Hand #1

Both vulnerable, East holds KQx/-/A10xx/KQJxxx and opens 1♣. LHO (yours truly) bids 2♠, West makes a negative double, and your partner bids 3♠.

If you held the East hand, what would you bid? West holds x/Axxx/K9xx/Axxx. What contract do you want to play? It's easy to say, I want to play 3NT, but suppose you declare 6♣. At our table the opponents did bid 6♣, and I (South) was on lead after the bidding has gone:

East	South	West	North
1♣	2♠	double	3♠
4♦	pass	6♣	pass
pass	pass		

I was looking at AJxxxx/Jxxx/Jx/x, and led the ♠A, which gave declarer his contract. Even if I don't lead a ♠, I need to discard carefully, and hang onto my ♥, or partner will be squeezed in the red suits.

Hand #2

Again, both vulnerable, in 3rd seat I hold K/AQxx/AKJ10x/xxx, and I open 1♦. The bidding proceeds as follows:

North	East	South	West
pass	pass	1♦	double
1♠	2♣	???	

I devalued my hand, bid 2♦, and declared 3♦ which easily made. My opponent, in my seat, bid 2♥ over 2♣, which his partner raised to 4♥!!

Suppose you are on lead against 4♥ and hold AJx/K9xx/xx/KQxx. What do you lead?

The complete hands are:

Qxxxx/J10xx/Qxx/x

AJx/K9xx/xx/KQxx

10xxx/x/xxx/AJxxx

K/AQxx/AKJ10x/xxx

The only lead to beat the contract is a diamond – it helps cut communications, thus stopping declarer from ruffing a club and drawing trumps, before running the diamonds. A diamond lead is very tough to find and our teammates, understandably, did not find it. Declarer duly made 4♥.

So, back to the original question, “do you want to declare or defend?” The above hands show that even if the contract can be beaten, the defenders will frequently not find the right defense. It’s better to bid aggressively: sometimes the contract will be cold, and even if it isn’t, the opponents don’t always defend accurately.

Rising 7th Graders ISO Bridge Teacher

For the past three years, I have had a bridge club at Garfield Elementary School in Springfield, VA. This past year, we had an astounding 29 students who have attended for the past several months. For at least six students, this is their third year, and they will be attending Francis Scott Key Middle School on Franconia Road in Springfield next fall. Every sixth grader has asked if there will be bridge at Key Middle School. Let’s make this a reality.

I am looking for a volunteer for next year. There are late buses on Monday, Wednesday and Thursday, so you could choose any of those days to hold the bridge club. If the club lasts 16 weeks, ACBL will pay a stipend. I will contact Key Middle School to obtain permission. So please contact me if you are interested. They are great kids.
