**Dear Mark:**

Next week, Jan. 17-23, will be another edition of ACBL's Silver Linings Week, in which all online club games will award silver masterpoints at twice the BBO rate. On top of that, on Wednesday evening, Jan. 19, there will be another District 6 game, open to all member of the district and their guests. Lots of opportunities to earn extra masterpoints!

The NVBA Newsletter for Jan-Mar 2022 is now [online](#). It includes remarks by NVBA President Georgette Weiss on current prospects for returning to in-person bridge, a guide to entering the District 6 Grand National Teams competition, and recollections of George Parkins by his friends.

Those of you who've participated in Longest Day games and helped to raise significant amounts of money for the Alzheimer's Association may be interested in a couple of online education programs coming up soon, both conducted on Zoom. On Jan. 19, from 12:00 to 1:00 pm, you can learn about "Healthy Living for Your Brain and Body" (register [here](#)), and on Jan. 22, from 6:30 to 7:30 pm, you can hear about Alzheimer's Research Updates (register [here](#)).

Here are the current schedules of [online games](#) and [club games](#).

**Jeff Roman** will be on Zoom to give a lesson before this week's Unit Game. His lessons are lively and informative, and he loves to take questions from participants. He is online beginning around 6 pm and typically spends the first 15 minutes, before the lesson begins, answering any and all questions that you have. Jeff has insights and advice for players at all levels, so please join in and participate. He and others, often including Alan Schwartz, run a post-game discussion afterwards. The Zoom site for Jeff's lessons is [here](#) and the site for the post-game discussion is [here](#). If you need technical help with Zoom, email [Joe Hertz](#).

Play well and have fun!
