Subject: NVBA Annual Meeting Failure and Success (Keys Misplaced!)

Follow Up Flag: Follow up

Dear Mark:

The NVBA Annual Meeting was a failure for one person. After the Bridge game, this person could not find car keys. Many searched, all failed to find them -- one Lexus key and four other keys together. In hopes that one of you who attended found the keys, NVBA President Georgette Weiss (GeorgetteWeiss@hotmail.com, 202-441-1182) asked that if you are the person who found the keys, you contact her.

The key-losing individual did get a ride home, and may have even gotten back to Beth El with a spare car key and moved the Lexus to a safer location (speculation on the part of the e-mail composer), but that individual and Georgette will both sleep much easier when the missing keys are found and returned.

As for success,

- the meal was fantastic,
- the candidates were all elected by acclamation,
- the annual Life Master-Non-Life-Master game was announced as in-person, at Beth El, on Thursday June 1 at 7PM
 - (show up at 6:30PM to meet your partner and find your table and finish filling out your convention card)
 - [register](#) using this form to get a partner or announce your partnership to the organizers.
 - More than 60 players have indicated they have interest in attending, **time now to register!**
- the Bridge Heroes 2023 Team kicked off its campaign to raise funds for Alzheimer's Association for the 11th consecutive year of "The Longest Day®" fund-raiser
 - see the team Web page [here](#) for more information, to make a donation to the campaign, to sign up as a team member.
- 78 members played Bridge in the Sectional Tournament at Clubs (some arrived after the Annual Meeting was over)
 - The Open Game had two 8-table sections, 64 players in all.
 - The 499er game had 3.5 tables, 14 players in all,
- Of those 78 members, 40 won ACBL Silver Masterpoints® in varying amounts
 - As reported by ACBL Live for Clubs Open [Sections A & B](#), 499ers-Non-Life Masters [Section E](#)
 - As reported by The Common Game Open [Sections A & Section B](#), 499ers-Non-Life Masters [Section E](#)
 - Results will soon be posted at the [NVBA Website](#)
 - Overall results for all Clubs participating in the STaC can be found [here](#) on the ACBL website by late this evening (**until they are posted, the link will show an error**).

The email composer apologizes for this not arriving in your inbox before dawn, but fell asleep while composing it!
