Dear Ronald:

Signups are open for the **annual life master/non-life master game** at the unit game on June 11. Each partnership in this game must include one life master and one non-life master. **Sign up, with or without a partner**, using [this online form](#) (preferred) or on paper forms available each week at the unit game. We'll match you up if you don't already have a partner in mind. Signing up early will give you priority in case turnout exceeds capacity.

Last week's unit game had 15.5 tables in two sections. In the open section, with 9 tables, congratulations to winners **Alan Schwartz - Annie Schwartz** (NS) and **Sumner Steinfeldt - Hal Hindman** (EW). [See full results](#). In the 0-2000 section, with 6.5 tables, congratulations to winners **Samriti Malik - Mark Brownstein**. [See full results](#). This game was part of the WBL sectional, which continued through the weekend in Silver Spring. For the combined results of the NVBA and WBL unit games, as well as the results of other events at the sectional, see [tournament results](#).

This week's unit game will be a **STaC (Sectional Tournament at Clubs)**, so masterpoint awards will be silver. **If possible, please preregister** using [RSVP Bridge](#). The game will be at the now-regular unit game location, St. Andrews Episcopal Church, [4000 Lorcom Lane, Arlington](#).

Useful Links

Link of the week: Do you ever present bridge hands on a webpage? The [BBO Handviewer](#) (free to use) can create attractive hand diagrams and/or bidding diagrams, optionally as a "movie" that allows a reader to play out the hand (suggested by **Mark Chen**). Please reply to this email to suggest future links of the week!

The NVBA website includes more information about the [unit game](#), listings of local [clubs](#) and [tournaments](#), help with [finding a partner](#), and much more. Webmaster [Ron Kral](#) welcomes your feedback and suggestions.

Play well, have fun, and see you at the tables!
